How much (if any) do you intend to carry over from this total fund into 2026/27?	£0
Total amount allocated for 2026/27	£ 7970
Total amount of funding for 2026/27 to be reported on by Summer 2026	£ 7970

This year we have spent only 100% of our allocated funding to enhance PE provision across the whole school for 2025/2026. The funding used this year has been spent on internal sports competitions, external sports competitions, staff development to improve PE, equipment, extra-curricular activities, swimming and memberships fees to support competitions. We have been able to enhance PE and sporting provision for disadvantaged pupils in our school by training Play Leaders to organise additional activities at lunchtimes under the supervision of a Sports Coach. We have also been able to better prepare pupils for competitions by using Sports Coaches with specialist knowledge to train and take pupils to sporting events. The impact of these has been extremely positive, increasing the engagement of pupils in sports and activities, raising the profile of PE and sports across the school and enabling more pupils to engage in a range of sporting activities. Pupils are visibly excited when they see the Sports Coaches arrive for the sessions and are eager to take part. Moving forward and in order to maintain sustainability, we will continue to build on the work that has been started this year to enhance provision for both staff and pupils.

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.	
N.B. Complete this section as best you can. For example, you might have practiced safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study	

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year, please report on their attainment on leaving primary school at the end of the summer term 2024. Please see note above	55 %
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	55 %
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	30 %
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.
